

Congratulations on helping your employees maintain instead of gain by taking the first step towards implementing the Holiday Challenge at your worksite.

Here are the tools, resources and step-by-step instructions to implement the Holiday Challenge. Every worksite is different. The strategies provided below are suggestions from previous worksites, but feel free to adapt or change as needed. The Holiday Challenge team is happy to work with your worksite individually, please email holidaychallenge@esmmweighless.com.

What is the Holiday Challenge?

The Holiday Challenge is a fun way to help employees avoid holiday weight gain. Everyone can participate – whether they are looking to lose a few pounds, maintain their current weight, or pick up new strategies to eat smart and to move more.

During the seven-week program, participants will receive a weekly newsletter that contains practical tips, strategies, recipes and other information to help them successfully navigate their way through the holiday season. Participants also receive daily tips, weekly challenges, and extra support through social media.

In addition, participants can download and print activity logs, a weight log, and a food journal from esmmweighless.com to help them track their progress.

Registration is free and easy with a valid email address. Participants can sign up at esmmweighless.com. Each participant enters their email address and completes a brief anonymous survey. Participant information is kept confidential and will not be shared with anyone for any reason.

The Holiday Challenge team offers support to you, the employer, throughout the process. We can provide you with the number of participants at your workplace if a common email is provided (e.g., @nc.gov). Unfortunately, we are unable to provide you with the names of participants. Keep reading for great ways tips on how to promote, support, and track the Holiday Challenge in your office.

Flyers to promote the Holiday Challenge are available for download from esmmweighless.com.

How to Bring the Holiday Challenge to Your Workplace

1. Talk with management about implementing the Holiday Challenge at your worksite. Show them the Holiday Challenge materials and discuss options for incentives and prizes for participants. There are many benefits of the Holiday Challenge: happier, healthier employees throughout the holiday season and into the New Year.
2. Designate a Holiday Challenge Coordinator.
3. It is highly recommended to offer incentives or prizes. Prizes do not have to be expensive and some may be free. Prizes should be based on participation and not on the amount of weight loss. Prizes can range from extended lunch time to a FitBit.
4. Office activities have shown to generate the most success for participants. Any way to make employees feel like a team, to know they are not doing it alone.
 - a. Group walks during lunch.
 - b. Healthy holiday pot luck.
 - c. Assigned (or drawn) Holiday Challenge buddy: write encouraging notes, leave small gifts, go on walks together, and cheer each other on.
5. Promote the Holiday Challenge to employees through email announcements, with fliers, or through the company's Facebook page or website.
6. Host weekly confidential weigh-ins at office. Offer incentives to participate. Base prizes on participation, not weight.

7. Offer lunch-n-learns on holiday stress, healthy eating, physical activity, financial support, or a support group for encouragement.
8. Encourage participants to track their activity and their food. Logs are provided on esmmweighless.com or there are free online programs such as MyFitnessPal.com or Loselt.com.
9. Gain feedback from participants. Consider creating your own online survey using www.surveymonkey.com.
10. Talk with management and the wellness teams about the success of the Holiday Challenge. Report how many employees participated and any feedback you received about what worked well. If you received additional ideas from employees or if you have additional ideas for us, please share with holidaychallenge@esmmweighless.com

*There are many benefits of the
Holiday Challenge: happier,
healthier employees throughout the
holiday season and into the New
Year*

How Can Your Worksite Track Participation?

1. We can provide you with the number of participants at your workplace if a common email ending is provided (e.g., @nc.gov). Unfortunately, we are unable to share the names of participants.
2. We can also track the number of your employees by what they enter into the “How Did You Hear About Us” text box during registration (e.g., “NC DHHS”). While promoting the Holiday Challenge, encourage them to type in a common phrase, word, or acronym.
 - a. ** This same word/phrase can be entered into the Wrap-Up survey. We can then provide you with aggregate data for those who entered that word/phrase. Please check with us regarding the chosen word/phrase as many organizations have similar acronyms.
3. Participants provide you with proof of registration at beginning of Holiday Challenge (provide a screen shot or print page when registration is complete, examples at end of this guide).
4. Participants provide you with proof of completion at end of Holiday Challenge (provide screen shot of wrap-up survey completion confirmation page).
5. Participants fill out pre, mid, and post forms regarding their progress and turn them into you (examples at end of this guide).
6. Host a weekly weigh-in at the office or other weekly event to track their participation. Do not base incentive on amount of weight lost/gained, but on their overall participation.
