

To access class on a mobile device:

- Please install the **GoToTraining** app on your device. It will look like a white flower with a purple background.

- Before each class, you can either click JOIN from your reminder email each week **OR** you can click on the app on your device. If you click on the app, the following image will appear - please click in the upper right corner of the screen with the 9 circles:

- Enter the 9-digit meeting ID# for the class, which will be the same every week and then click **JOIN NOW**. Please refer to the meeting ID# listed in your confirmation email.
